

BAC is CLOSED effective March 16, 2020

According to the most recent recommendations of state and federal authorities, Beaverton Activity Center will be CLOSED for daily operations Monday, March 16 until Monday, April 6.

All activities, leagues, programs, classes, and business and community meetings currently scheduled will not be held at the BAC building until the center reopens. B-Fit Center is also closed; memberships will be extended for the length of the closure.

Check with the sponsoring organization regarding a different location for business and community meetings.
